Track length:	600 – 800 m
Track type and surface	Natural terrain, grass, pasture
Technique of pulling the lure:	Motor reel, closed circuit over pulleys
Conditions of participation:	According to FCI Regulations for International Lure Coursing Events, each dog entered to race must have a valid racing or coursing license. The muzzle is mandatory for all breeds. All competitors must strictly follow the race schedule, so the trouble-free progress of the race can be ensured. The FCI judging system is used.
Mandatory equipment for dogs:	The dogs will run in racing jackets in red and white colour without numbers or any other signs . The muzzles are mandatory for all breeds!
Organization of runs:	The selection of pairs of dogs for the first heat is made by random selection. In case of an uneven number of entries, the organizers will try to find a companion dog with a license to pair run where possible to avoid a solo run. If there is an uneven number of dogs in both genders or classes, female and male, which could otherwise run solo, will run together. In the second heat, the dogs will be arranged in pairs based on the first heat results (1+2, 3+4, etc.). The pairs will run in random order then.
Protest:	The protesting person must pay the race organiser a fee of 100 EUR, and the organiser will pay the fee back if the protest is legitimate and justified. The Lure Coursing Director and the judges are authorised to reject the protest. The organiser will write a Coursing report about the race and send it to the Coursing Committee with the protest description and its solution/results. It is not possible to enter a protest against the judges' decisions.
